

Work-Life Directory of Services

Get professional consultations with work-life specialists or log on to access online help, resources, self-assisted searches and more!

Through your program you can:

- Consult with a work-life specialist who will provide you with expert guidance, information and referrals to providers.
- Log on to access the most up-to-date, industry-leading work-life library, via www.MagellanHealth.com/member.
- Visit LifeMart to get savings of up to 40 percent on various products and services including: theme parks, movie tickets, new cars, electronics, gifts and jewelry, books and DVDs, child and elder care, cleaning services, and more.
- Get immediate clinical support when necessary.

The work-life program has specific areas of focus that include:

Child Care & Parenting

- Child care options (centers, in-home care, etc.)
- Preschools and kindergartens
- Backup, temporary, and emergency care
- Grandparenting
- Summer care
- Special needs
- Before- and after-school programs

- Child development
- Managing work and family
- Child health & safety
- Parenting infants to teens
- Health care concerns

"Everyone I have spoken with has been extremely helpful and worked hard and fast to find a provider to meet our needs, even when we have to call at the last minute."
