

## Creighton University School of Dentistry

Since its start in 1905, the Creighton University School of Dentistry has graduated nearly 5,000 students. The dental school curriculum is focused on the development of a competent, values-centered general dentist educated in the Jesuit, Catholic tradition. Creighton students are prepared to enter residency programs, dental practice or continue with advanced degrees and specialty training. Creighton University School of Dentistry received 2,740 applications in 2010 for 85 available seats. More than 28 percent of the national applicant pool has an interest in attending the dental school.

## 2013 Dr. Ben Kutler Memorial Golf Classic

Wednesday, June 26, 2013

Creighton  
UNIVERSITY  
School of Dentistry

Epsilon Chapter Omicron Kappa Upsilon

## Ben Kutler, D.D.S.

Ben Kutler, D.D.S., was an Omaha dentist who served as a role model for the profession of dentistry by his caring and compassionate treatment of all, no matter what their financial circumstance. A 1945 graduate of Creighton University Medical Center School of Dentistry, Dr. Kutler received it's Alumni Merit Award in 1997 for his lifelong devotion to his profession and his community. The Omaha District Dental Society also presents an annual service award in Dr. Kutler's honor.

Every year, Creighton University School of Dentistry, as an integral part of its Jesuit, Catholic mission, provides quality dental care to those in need. The funds generated by this charity golf outing will be used to help defray the costs incurred in providing much needed dental healthcare for those who can least afford it. Your participation will directly impact the health of numerous families in our community.

Omicron Kappa Upsilon is the national Dental Honor Society, the members of which are selected for outstanding scholarship and character. Dr. Kutler was awarded membership in OKU because of the numerous contributions he made to the profession and to dental education. The Epsilon Chapter of OKU at Creighton University is proud to sponsor this tournament honoring the memory of this great dentist and true humanitarian.

Thank you for caring for those in need.

## About Omicron Kappa Upsilon

Omicron Kappa Upsilon (OKU) had it's inception with the class of 1914 at Northwestern University Dental School. In 1916, the Epsilon Chapter at Creighton University became the fifth component chapter to be established. Members are elected from the graduating class by the faculty members and represent the highest standards of scholarship and character.
