The main content area features a large banner for the "4th World Conference On Research Integrity" held in Brazil, Rio de Janeiro, from May 31 to June 3, 2015. Below the banner, it states "Over 7.4 million CITI Program courses have been completed since 2000". On the right side, there is a login and registration section with fields for "Username" and "Password", a "Log In" button, and a "Register" button. A note below the registration button reads: "Access requires registration as an affiliate of a subscribing CITI institution or as an unaffiliated learner." At the bottom, there are two columns of links: "CITI Program Announcements" (including links to the Online Bookstore, EC Course, ICOI Module, and DPRF Course) and "Help & Support" (including links for registration, account merging, and password recovery).
